2020 Candidate Survey
Oklahoma Second Amendment Association OK2A.org

Candidate's Name

Office Sought (include district or county)

Address (include city and zip code)

Mobile Phone Number (include area code)

Campaign Website

Personal Email Address

Are you a member of the Oklahoma Second Amendment Association? Yes _____ NO _____

Constitutional Carry. Do you support Constitutional Carry as enacted in 2019?

_____ Yes

_____ No (Please explain:)

Campus Carry. In what form would you support campus carry legislation? (Check all that apply)

_____ I would support legislation allowing colleges, universities, and technology centers to set their own weapons policy.

_____ I would support legislation allowing anyone who holds a handgun license to carry a concealed handgun on any college, university, or technology center campus.

_____ I would support legislation allowing anyone with military or law enforcement backgrounds, who holds a handgun license, to carry a concealed handgun on any college campus.

_____ I would support legislation allowing staff and/or faculty with handgun licenses to carry a concealed handgun on any college, university, or technology center campus.

_____ I would support legislation allowing staff and/or faculty with handgun licenses to carry a concealed handgun on any college, university, or technology center campus only if they are required to undergo extra training for active shooter situations.

_____ I do not support campus carry in any form.

School Carry (K-12). In what form would you support K-12 carry legislation? (Check all that apply)

_____ I would support legislation allowing faculty and/or staff of K-12 schools to carry a concealed handgun if they have a handgun license.

_____ I would support legislation allowing faculty and/or staff of K-12 schools and visitors to K-12 schools to carry a concealed handgun if they have a handgun license.

_____ I would support legislation allowing faculty and/or staff of K-12 schools to carry a concealed handgun if they have a handgun license and undergo training for active shooter situations.

_____ I would not support carry in any form on a K-12 school facility.

Capitol Carry. I would support legislation so those with a valid handgun license can carry a concealed handgun into the State Capitol.

_____ Yes

_____ No

Prohibited Places. (Check all that apply)

- I would support legislation removing non-secured state and local government buildings from the list of places handgun licensees may not carry.
- I would support legislation removing the state capitol building from the list of places handgun licensees may not carry.
- I would support legislation allowing employees with a handgun license whose primary place of business is a county courthouse to carry a concealed handgun into the county courthouse where they work. (This shall not include a courtroom.)
- I would not support making any changes to the Prohibited Places section of the SDA.

Advise and Consent (Senate candidates only). Senators are called upon to advise and consent concerning appointments by the Governor to positions such as state college/university presidents, regents, cabinet positions and department directors, etc. As a Senator, will you oppose any appointees that will not allow a person to exercise their Second Amendment right while on a university property?

- Yes
- No

Game Wardens. (Check all that apply)

Will you support legislation requiring Game Wardens to follow the same legal procedures for entering private property as all other law enforcement must follow by requiring more than the mere discharge of a firearm before entering private property without permission or a warrant in areas where the discharge of a firearm is a legal act? (Witnessing a violation of game laws and/or regulations, etc., would constitute probable cause and would mean they had more than just the discharge of the firearm. Additionally, in urban areas it is illegal to discharge a firearm; as such, the discharge of a firearm in those areas would constitute probable cause. However, in rural areas, it would not.)

- Yes, I would support such legislation.
- No, I would not support such legislation.
- I am unsure.

Civil Asset Forfeiture.

Currently, law enforcement can seize property belonging to people presumed to be involved in drug crimes even without a conviction. Furthermore, the burden of proof is on the person to get their property back. Will you support legislation reforming Oklahoma's civil asset forfeiture laws to require a conviction before a person forfeits their assets?

- Yes, I would support such legislation.
- No, I would not support such legislation.
- I am unsure.

Public Dollars used against the Second Amendment.

Will you support legislation that prohibits state agencies and employees from using public money and resources to support legislation that would restrict Second Amendment rights or to oppose legislation that would restore Second Amendment rights?

_____ Yes, I would support such legislation.

_____ No, I would not support such legislation.

_____ I am unsure.

County & Municipal Employee Policy. (Check all that apply)

Will you support a change in your county's or city's employee policies allowing county or city employees with a valid handgun or weapons license to carry a concealed or unconcealed handgun in non-secured county or city facilities (excluding jails, prisons, and courtrooms)?

_____ Yes, I would support a policy change allowing employees with a valid handgun or weapons license to carry concealed and/or unconcealed in non-secured county or city facilities.

_____ Yes, I would support a policy change allowing employees with a valid handgun or weapons license to carry concealed only in non-secured county or city facilities.

_____ No, I would not support such a change in policy.

_____ I am unsure.

Original Intent. Please describe what you believe the original intent of the Second Amendment is:

Federal Infringement (Sheriff and County Commissioner Candidates Only).

If a federal agency or federal law, regulation, or executive order required you to participate, actively or passively, in the confiscation from law-abiding citizens of firearms, ammunition, or the components of firearms or ammunition, would you comply? If not, how would you respond? (COUNTY COMMISSION CANDIDATES: Would you urge your sheriff to comply? If not, how would you encourage the sheriff to respond and how would you support their response?)

_____ Yes

_____ No (Please explain:)

If you need more room to answer these questions, please attach a separate sheet of paper. Also, please include any other information you would like us to consider as we determine our endorsements for this race.
