

Support State Senator David Bullard for Pro Tempore of the Senate. 1-22-2024

SB1409 Senate Floor Leader Greg **McCortney** assigned the bill for illegal aliens to obtain an Oklahoma Driver's license to the Senate Retirement and Insurance Committee. Previously it has been assigned to the Senate Public Safety Committee.

On 3-24-2022, SB1591, legislation for illegal aliens to obtain an Oklahoma driver's license passed in the senate chamber 30-11 with the following republican senators in office voting for it. Coleman, Daniels, Dugger, Garvin, Hall, Haste, Hicks, Howard, **McCortney**, Paxton, Pederson, Pemberton, Rader, Rosino, Stanley, Stephens, R Thompson, Treat.

In 2023, TWICE as Floor Leader of the Senate, **McCortney** brought SB669 (Illegals obtaining an OK Driver's License) to the floor to get it passed but was laid over because of so much push back from senate conservatives and the grassroot citizens of this state.

If Senator **McCortney** wants to be Senate Pro Tempore then he should never participate in advancing this Biden/ Brooks illegal alien driver's license bill. Illegal aliens should NEVER be granted rights reserved for the citizens of this state or country. We are being overrun at the border with illegal aliens now, so the Oklahoma senate leadership is going to hand driver's licenses to encourage illegals to infiltrate us on top of the burden that already exist now. Senator McCortney also held up more than a dozen OK2A Second Amendment bills in 2023.

On February 12th at noon, the Oklahoma State Senate will vote for the Pro Tempore designate for the next session. We don't need Senator Greg **McCortney** (C- OK2A grade) , the most liberal republican of the Senate to be the leader. We need a constitutional conservative who is State Senator **David Bullard** (A+ OK2A Grade) to be the Pro Tempore.

This is why we must support Senator David Bullard for Senate Pro Tempore.

Call and write your state senator and ask them to stop SB1409 so illegals can NOT get Oklahoma driver's licenses and demand they **support Senator David Bullard for Senate Pro Tempore** and DRAIN THE CURRENT OKLAHOMA STATE SENATE LEADERSHIP SWAMP!!!

DRAIN THE OKLAHOMA SWAMP. Ask your senator to vote against SB1409, illegal aliens obtaining an OK driver's license and to vote YES for David Bullard for Senate Pro Tempore.
