SJR34, SB721, HJR1034, HB3056, HB2051, HB2136, HB2139, HB2218, HB2644, HB2645, HB2646, HB2647, HB2737

Every legislator is given an “A” to begin with and how they vote determines if they maintain their grade with support for legislation or lower the grade by not supporting legislation that reflect the oath they took for the position.

Legislators may receive “Modifiers” for introducing, advancing, assisting, coauthoring, and having legislation signed into law. This can also apply to those that stop bad legislation.

These modifiers included votes for senate leadership.
